COPYRIGHT TRANSFER

The undersigned, with the consent of all authors, hereby transfers, to the extent that there is copyright to be transferred, the exclusive copyright interest in the above cited manuscript, including the published version in any format (subsequently called the "work"), to the Journal of Medical Chemical, Biological and Radiological Defense (JMedCBR) subject to the following (if the manuscript is not accepted by JMedCBR or withdrawn prior to acceptance by JMedCBR, this transfer will be null and void):

A. The undersigned author and all coauthors retain the right to revise, adapt, prepared derivative works, present orally, or distribute or transmit to not more than 50 colleagues, their own paper, provided that copyright credit is given to the source and JMedCBR, that recipients are informed that they may not further disseminate or copy the paper, and that all such use is for the personal noncommercial benefit of the author(s) and is consistent with any prior contractual agreement between the undersigned and/or coauthors and their employer(s). Authors/employers may post on the Web, the title of the paper, abstract (no other text), tables, and figures of their own papers on their own Web sites, and to include these items in their own scholarly, research papers.

B. Where a work is prepared as a "work made for hire" for an employer, the employer(s) of the author(s) retain(s) the right to revise, adapt, prepare derivative works, publish, reprint, reproduce, and distribute the work in print format, and to transmit it on an internal, secure network for use by its employees only, and additional rights under A, provided that all such use is for the promotion of its business enterprise and does not imply endorsement by JMedCBR.

C. Whenever JMedCBR is approached by third parties for individual permission to use, reprint, or republish specified articles (except for classroom use, library reserve, or to reprint in a collective work) the undersigned author's or employer's permission will also be required.

D. No proprietary right other than copyright is claimed by JMedCBR.

E. For works prepared under US Government contract or by employees of a foreign government or its instrumentalities, JMedCBR recognizes that government's prior nonexclusive, royalty-free license to publish, translate, reproduce, use, or dispose of the published form of the work, or allow others to do so for noncommercial government purposes. Please state contract number. _____

SIGN HERE FOR COPYRIGHT TRANSFER: I hereby certify that I am authorized to sign this document either in my own right or as an agent for my employer, and have made no changes to the current valid document supplied by JMedCBR.
